## Carpe Diem Offers Elegant Collection

**C**arpe Diem, an ultraexclusive British villa-rental firm, provides access to a private collection of properties so discreet that most have no brochures so as to protect the privacy of the owners.

Run by Marina Gratsos, a well-connected London-based member of a Greek ship-owning family, Carpe Diem offers exquisite houses and estates and superb personal service. After spending time with clients to determine their wishes, Carpe Diem puts together a short list of appropriate possibilities.

Among its loveliest properties are a family beachfront estate in Greece, fully staffed, complete with yacht and all water sports; a chic, super-secluded four-bedroom villa on the Spanish island of Ibiza, with large columned terraces and a glamorous infinity pool high above the sea; and an 18th-Century villa in the unspoiled Luberon area of Provence, with acres of gardens, leafy stone patios, a rock-edged pool, and rooms filled with antiques.

Find what you're looking for in Carpe Diem's private collection, which includes some of the most exquisite homes and estates in Europe and beyond. Book through the Harper Villa desk at (888) 777-9779 and enjoy a special personal touch from Carpe Diem.

This extraordinary futuristic home, designed by John Lautner in 1968 for Arthur Elrod, has been restored to its original grandeur and can be rented by the week or month through Time & Place and the Harper Villa desk.

## Luxury Vacation Homes

**P**ARTY LIKE OLD BLUE EYES NEXT TO HIS signature piano-shaped swimming pool; enjoy the seclusion and the views from the five-bedroom mansion Marilyn Monroe and Joe DiMaggio once shared; savor the grandeur of the visually stunning Elrod/Lautner estate (above), the setting for lavish parties and photo shoots as well as the 1971 James Bond film, "Diamonds are Forever."

WITH THIS PREMIER EDITION of Harper Villas and Private Yachts, we introduce an exceptional collection of vacation rentals and yacht charter options. And for even more choices, visit our online offerings at [AndrewHarperTravel.com](http://AndrewHarperTravel.com)

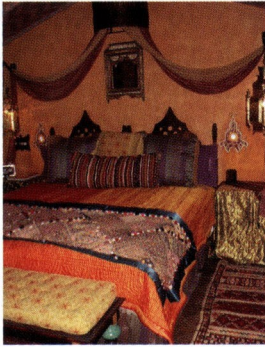

They're just part of the extensive collection of exclusive and elegant homes offered by our associates at Time & Place. While these three are set in the shadows of the San Jacinto Mountains in revitalized Palm Springs, Time & Place offers similarly stunning homes for rent by the week or month in many of the world's most inviting destinations, including Hawaii. Each property possesses the luxury and amenities of a five-star hotel, but also promises the anonymity, solitude and convenience of a private home.
