STACY KEIBLER'S

Surprise Beach Wedding!

THE ACTRESS AND TV HOST SAYS 'I DO' TO JARED POBRE IN PUNTA MITA, MEXICO

FOR MONTHS Stacy Keibler and Jared Pobre had fun keeping their wedding plans top secret. But on March 8, their families (who thought they were going to a birthday celebration) shed tears of joy as Keibler, 34, and Pobre, 39, a tech entrepreneur, married at sunset in Punta Mita, Mexico. "It was such a celebration of love with the whole family, better than I could have ever dreamed of," says Keibler, who began dating longtime friend Pobre last fall after splitting with George Clooney. When his bride walked down the aisle, Pobre says, "she looked so beautiful it was surreal. It was impossible not to smile." —ELIZABETH LEONARD
